Mr. and Mrs. Thomas Ferguson are the proud parents of a son, Thomas Scott, Jr., who arrived at the Stamford Hospital February 26. He tipped the scales at seven pounds and 14 ounces. The maternal grandmother is Mrs. W. S. Graham, and the paternal grandparents are Mr. and Mrs. S. C. Ferguson, Sr.

McCaulley Well Flows 400 Bbls. Report Says

The W. F. Davison oil well, a mile and a half west of McCaulley townsite, came in Wednesday night about 12:30, in the Fisher County pay, 2170 feet and flowing at an estimated 400 barrels per hour at this writing, of high gravity oil.

The news is causing quite a lot of excitement, and royalty and leases are expected to be in great demand.

South Outpost to Bartlett Pool In Jones County

A location for a south outpost to the Jones County Bartlett Pool about 28 miles southwest of Hamlin was filed early this week by Ungren & Frazier and Jones & Stasney as the No. 1 Mattie V. Alexander, 330 feet from the north and west lines of section 34 block SP survey. It is on permit for 3,500 feet with rotary and will test both the King and Swastika pay.

On the west edge of the area appeared late in the week the Ungren & Frazier and Jones & Stasney No. 1 H. E. Cole, 330 feet from the east and 2,495 from the south line of section 43 block 2 SP survey.

This well had King sand from 3,188-3,194 feet, but on a drillstem test recovered only six feet of mud. Swastika came in from 3,262-3,270 feet but carried no staining or odor. The well is being deepened into the formation.

Jackson den mother, meeting Thursday at 4:00 o'clock p. m. and it has eight members.

Clyde Rasberry Given Life Term In District Court

Clyde Rasberry of Odessa, indicted by the grand jury of the 104th District Court at Anson last week, was convicted of burglary and being habitual criminal and was sentenced to life imprisonment Thursday, Feb. 19, according to Leon Thurman, district clerk.

Rasberry pleaded not guilty to the charges by reason of insanity.

He was indicted along with his brother, Guy Rasberry and Fred Clayton, all of Odessa, for the burglary of a grocery store in Anson February 4.

The jury deliberated only 30 minutes and returned a verdict finding him sane and guilty.

Guy Rasberry and Fred Clayton were given six and eight year sentence respectively after being convicted on the same charges.

Two civil cases heard, Ila Mae Jefferys vs. L. E. Jefferys and Juanell James vs. W. Joe James, resulted in divorces granted to each.

James Lewis pleaded guilty before the court on a charge of forgery and given a three year sentence by Judge Owen Thomas.

HD Agent Urges Planting of Slow Growth Plants Now

Miss Loretta Allen, Jones County Home Demonstration Agent, this week urged all Hamlin and area people how to plant slow growing plants started in a small bed to an advantage. Some of these slow growing plants are cabbage, tomato and pepper.

By using this practice, the agent explains, gives the plants a head start in the early spring so that they will be ready by garden planting time.

A wooden box four to five inches deep, 18 inches wide and 24 to 30 inches long is a convenient size. An old wash tub or dishpan may be used. The main consideration is a small container that can be picked up and brought into the house on cold days and nights and put outside on warm days.

A mixture of equal parts of well rotted manure and top soil, or better still, a mixture of one-fourth rotted manure, one-fourth sand and one-half top soil can be used. Make a layer two or three inches thick, the agent continues, of either of these mixtures and put a layer of course sand one inch thick over it. Mark off rows two inches apart. Disinfect the seeds with a commercial organic mercury compound. Plant the seeds, three to four to the inch and cover ½ inch deep. Scatter a thin layer of pea-size gravel over the surface after planting, then sprinkle freely with water. The gravel is used to help prevent the damping off of the small plants.

Transplant the plants when they are three or four inches high into a larger bed giving three or four inches of space between the plants or into small paper cups or old tin cans. This will help them to grow off quickly when set out and make sturdy plants the agent concluded.

Mr. and Mrs. Leonard Maberry of Anton are visitors in Hamlin this week. They are former residents of this vicinity.

field, Jimmy Muchstein, Ben Edge, Oran Brigham and George Long.

McCaulley Youth On McMurtry Honor Roll

Mary Ann McCollum and Hubert Carson of McCaulley were among the McMurtry College, Abilene students to earn a place on the semester honor roll.

These were two of the 44 students at the college to get on the list. Only students with an average of 90 and above were listed on the roll, according to college officials.

A well stocked and well managed farm pond can be expected to produce as much meat to the acre as if it were in good pasture, according to the U. S. Department of Agriculture.

Local Boy at Harvard Visits Here on Trip

Forest Greenway of Hamlin, a student at Harvard, Cambridge, Massachusetts visited his home last week.

Si Boone and Bill McCollum, two of his classmates accompanied him here and Greenway took them to visit at the Y6 Ranch. This being the first visit to a real ranch for the two eastern boys. Both got a big "kick" out of the visit.

The Lord's Prayer is not, as some fancy, the easiest, the most natural of all devout utterances. It may be committed to memory quickly but it is slowly learned by heart.—Maurice.

Most Farm Products Sell Steady to Stronger During Week, Report Shows

Sell Steady to Stronger During Week. Most farm products sold steady to stronger during the past week, according to a report to The Herald from the United States Department of Agriculture Production and Marketing Administration.

Sheep and lambs maintained a fairly steady tone, with some markets showing slight gains and other small losses. Good and choice lambs brought \$1 at Kansas City and \$20 to \$20.50 at Oklahoma City. Medium and good wooled lambs sold from \$18.50 to \$19.50 at Denver and from \$19 to \$20.50 at Fort Worth. Mohair sold at Keokuk and Del Rio at around 45 cents per pound for adult hair and 65 cents for kid. Scarce fall Texas wools were offered at around \$1.20 clean basis.

Hog prices fluctuated sharply from day to day last week and opened higher Monday for net gains of \$1 to \$2 at most markets, with San Antonio ending up near the starting point. Top hogs ranged from \$23 to \$24.75 in Monday's trade.

Extreme unevenness on steers featured the week's cattle trading, with most steers and yearlings following the generally strong trend and heavy fed steers barely steady to weak. Common and medium steers and yearlings brought \$17 to \$24 at Houston Monday, when medium and good yearling heifers sold at \$23.75 at San Antonio. Medium and good steers yearlings and heifers turned at \$22 to \$25.50 at Fort Worth and \$21 to \$25 at Oklahoma City. Wichita and Denver moved medium and good steers from \$22 to \$25.50. Kansas City struck a top of \$29 on choice steers.

Egg prices went up a little last week, but weakened Monday, when Dallas and Denver brought current receipts mostly at 40 cents a dozen, and Fort Worth at 41 to 42 cents. Poultry moved in rather dull trade at slightly lower prices. Dallas and Fort Worth paid from 22 to 25 cents a pound for heavy hens and 33 to 35 for fryers and broilers.

Cotton strengthened during the past week in fairly active trade. Prices rose about \$5 a bale. Dallas quoted spot middling 15-16 inch Monday at 33.85 cents.

Grain sorghums advanced 22 cents per 100 pounds and corn 12 to 20 cents a bushel, as barley rose

12 cents and wheat eight cents. Gains reflected smaller offerings rather than increased demand. No. 1 hard ordinary wheat closed Monday around \$2.61 at Texas common points and white corn \$2.87 to \$2.89.

Feeds showed a steadier tone, and millfeeds gained \$2.50 to \$5 per ton. Demand for hay slackened and the prices eased downward. Farmer's stock peanuts remained at support levels.

Guy Daniel Honored At Texas A. & M.

Guy Daniel, son of Mr. and Mrs. G. A. Daniel of Hamlin, has been elected program chairman of the YMCA cabinet of the Texas A&M College at College Station.

He is majoring in liberal arts, is a master sergeant on the corps staff, active in his home town club, member of Town Hall staff and a member of the YMCA cabinet.

AC Carl D. Andress Moves to Seattle

Mr. and Mrs. Carl D. Andress and daughter, Linda Louise, of San Diego, California and formerly of Hamlin have moved to Seattle, Washington.

Chief Aviation Mate Andress of the U. S. Navy was transferred to Whidbey Island March 1.

Southwest Well Is Abandoned By TP

Located two and a half miles southwest of Hamlin Texas & Pacific Coal & Oil Company plugged and abandoned their No. 1 Celotex Corporation, after drilling to 5,500 feet and then plugging back to the Flippin at 3,189-3,199 feet.

On this Flippin section, it was tested through perforations and it showed a little oil on initial swabbing, but soon developed 95 per cent salt water.

Location was 494 feet from the south and 330 feet from the west line of section 10 block E.

Mrs. Lydia Jones from San Diego, California is visiting her parents, Mr. and Mrs. John O'Neal.

Statement Issued By Business Manager Pope For the Hamlin Memorial Hospital

The following statement to The Hamlin Memorial Hospital for publication late this week.

Last week we typed a long list of names, firms, clubs and organizations who had contributed in some form to make the Hamlin Memorial Hospital possible. The list was long and was made out under tremendous stress, and taken from actual records. We knew that it would be a miracle if some names were not left out. Sure enough one we now of was left out. It was that of the Hamlin Veterans of Foreign Wars, who furnished \$300 on furnishing the main Reception Room of the hospital. We trust that no one will be so unkind to even think much less express a word that this was done intentionally. We have been copying lists of names for publication for many years and there is always a danger of leaving out something. Yes, we appreciate the help of Hamlin and everywhere and for that matter all ex-service men everywhere and we desire to honor them as long as we can.

The fact that we hold in our heart a genuine feeling of appreciation for the men who made so many sacrifices for our country in two great World Wars and the fact that

some of those men did not get to come back and live among us, that is the main reason that prompted us in trying to erect some kind of memorial to their memory. We believe the Hamlin Memorial Hospital will serve that purpose, and be a living monument of service to humanity. In it we hope to see the names of all men in this immediate area, who lost their lives for our country, be cast in bronze in tribute to them.

We know of six young men who died in the First World War from this area. Four or five of them resided in Fisher County and one in Stonewall County. They are wanted first. Then there are about 20 who lost their lives in the recent World War, who rightly may be called our "community heroes." The plate that carries their name will give the rank, initials and name on one line; and under that the year of birth and the year of death. The lettering will be large enough to be seen, well away. Each name plate will cost \$4 in New York. Someone interested must bear that cost. The Memorial Panel will cost \$77.19 for Hamlin. The castings will be ordered as fast as the information and money is made available.

There are no secrets about the Hamlin Hospital. By now it should be well known it belongs to the families who have taken out memberships in it. The hospital is not "perfect" but it is good enough for anybody. It does not propose to do everything any more than does some of the largest hospitals. Our hospital is now a baby, hoping to grow strong and stop bobbling. Be patient with it and some day you will likely love it.

Someone may ask, "What does it profit me to be a part owner in the Hamlin Hospital?" The directors have set the general price of all rooms at \$8.50 per day, but if the patient be someone from a family

Veterans Regional Office Has New Quarters at Lubbock

Hamlin veterans and others were informed this week that the West Texas Veterans Administration Regional Office is now located in its new modern office building at 1600-24 19th Street in downtown Lubbock, Robert W. Sisson announces. The regional office, serving 79 West Texas counties, has been located at the Lubbock Army Air Field, 12 miles west of the city since it was activated June 1946.

The office began full operation in its modern quarters March 1. Office hours will be from 8:00 o'clock a. m. to 5:00 o'clock p. m., Monday through Friday.

An official opening, combining open house and dedication ceremonies, is planned for March 26. At this time, all veterans, all service organizations, city, county and state officials, newspaper and radio men, district medical and dental society officials from the region will be invited to inspect the new building.

Adversity has ever been considered the state in which a man most easily becomes acquainted with himself, then especially, being free from flatterers.—Johnson.

who has already advanced \$50, their room charge will be \$2.13 less. Other allowances may be granted on other hospital services when and if the operating costs are lower. The doctors officiating in the hospital are independent in their charges and their bills will not be handled as part of the hospital charges. There are no fees to pay unless you need a doctor and no hospital fees or charges unless you use the hospital. It is important to say here that the hospital is not prepared to render services on a charity basis or credit. The pay for all employees must come from services rendered.—Bowen Pope, business manager.

Mickey K. Scott is New Enrollee at HS-U For Spring Semester

Mickey Kenneth Scott of Hamlin was among the 177 new registrants for the spring semester at Hardin-Simmons University, Abilene. The classes began February 7 and will continue through May.

This institution, Hardin-Simmons University is the oldest of higher learning between Fort Worth and Los Angeles, is beginning its 56th year of instruction with the largest faculty and the most complete curriculum and largest physical plant in its history.

Supported in large measure by the Baptists of Texas, it emphasizes religious training and requires each student to complete six semester hours of classwork in Bible in the four years. Six full-time religious instructors are employed.

Vocational guidance permits the students to take examinations which may prove beneficial to him in the choosing of a profession. Tests, together with English placement examinations, are given to all incoming freshmen.

Joe Culbertson is Named to Texas NFLA Committee

At a stockholders meeting of the Federal Land Bank of Houston, held there February 17-18, Joe Culbertson of Hamlin, vice-president and director of the Jones County National Farm Loan Association at Anson, was elected a member of the State Trust Committee which functions incident to the Retirement Plan now in effect for employees of National Farm Loan Associations in the State of Texas.

Culbertson, together with four other members of the Trust Committee, reviews applications for retirement, passes up on the handling of funds under a Trust Agreement, and handles various other matters incident to the Texas National Farm Loan Associations Pension Trust Plan.

Culbertson has been elected to serve in this capacity until November 1, 1951. Other members of the Trust Committee are: Sterling C. Evans, Houston; B. L. Sanders, Corsicana; J. P. McCord, Coleman and C. W. Patterson, Taylor.

Culbertson and Joe Breed, secretary-treasurer of the Jones County National Farm Loan Association at Anson, returned from Houston last Thursday evening after having attended the regular Annual Stockholder's Meeting there.

Enactment of almost any type of recovery-for-Europe legislation will mean increased exports, as will the expected devaluation of monies by European nations in addition to France. Exports if finished manufactures by these countries will enable them to buy American cotton on a commercial basis. Hence, exceedingly unstable prices will result from supply and demand as well as political factors the report concludes.

Criswell Case Reversed by Court Criminal Appeals

Wednesday Texas' Court of Criminal Appeals at Austin reversed the case of the State of Texas vs. A. F. Criswell, Noodle farmer, indicted for the murder of Albert C. Sobesee, Jones County Commissioner of Precinct 4, of a decision of the 42nd District Court.

The 42nd District Court a report stated was convicted by a jury of aggravated assault with punishment of six months in jail and a \$750 fine.

The defendant was involved in an altercation at Merkel, Hamlin people will recall, on January 14, 1947 over the routing of the Noodle Farm-to-Market road. Sobesee, who sustained injuries in the scuffle, died January 22 in a clinic at Merkel.

This case went to trial on May 26 and the jury two days later returned a verdict of "aggravated assault," sentencing Criswell to the fine and jail term.

Criswell's attorney on November 17 of last year made a special plea that the only infraction involved

the disabilities of Fred Deutschman, a minor, No. 7954, application granted.

"just simple assault."

A subsequent Taylor County grand jury brought in an indictment of murder and a trial was held in the 42nd District Court at Abilene in May 16, 1947 and continued through January 28 when the trial jury returned a verdict of "aggravated assault" and the resulting fine and term. Criswell's attorney then gave notice of appeal after a new trial was denied. District Attorney Thomas E. Hayden, who prosecuted Criswell expressed little surprise at the court's action.

Criswell's attorney said, "If the Austin court found the grounds only 'simple assault' as contended by the defense, then the remanding will be for a trial on that charge."

PIMPLES

DON'T SQUEEZE THEM! Instead brush on KLEEREX and see how amazingly fast it hides ugly pimples as it dries them—often on first trial. Not a greasy salve that pimples thrive on, but a soothing medicated liquid that relieves itching—drives redness out. Ask for KLEEREX at all drug stores. Double your money back if it fails. 49c

POT-SHOTS FROM McCAULLEY

By GEORGE DARDEN

Mr. and Mrs. A. J. Estus and daughter from Dallas visited her parents, Mr. and Mrs. John Dean last week-end.

Mrs. Flora Mason has recently been under treatment at a hospital in Rotan but is now reported to be improving.

Mrs. Charley Elvens and daughter Nancy of Fort Worth visited friends and relatives in McCaulley and Sylvester last week.

McCaulley High School basketball team was eliminated in their first game at the regional tournament at Abilene last Friday. The local lads were defeated by Beattie, Comanche County lads by a score of 30 to 25. Our only excuse is that our boys couldn't get going and were a way off form and in our humble opinion the local lads have defeated much stronger opposition through out the year. Anyway we lost but the local lads won 28 games out of 30 for the season and we doubt if many teams can boast of such a record in one season. And as before—win or lose, we are still rooting for the home team.

Thanks to Willard Maberry for a year's subscription to The Hamlin Herald.

Rev. Thompson, pastor of the local Methodist Church has informed us that the Methodist meeting has been postponed until next Sunday, March 7. Bro. Thompson is very cooperative and is appreciated as a

citizen as well as a pastor.

Mr. and Mrs. John Shelly of Rotan visited last Sunday in the home of Mr. and Mrs. John Wishert.

Mr. and Mrs. Jack Johnson and children from Borger visited last week-end in the home of her parents, Mr. and Mrs. J. T. Rhoten. Mr. and Mrs. M. A. Darden from Girard and Mr. and Mrs. Howard Darden and children of Lubbock visited last Sunday in the home of the Geo. Dardens.

A large crowd attend the George Washington birthday party sponsored by the members of the McCaulley Masonic lodge last Friday night. Gobs of ice cream, home-made cakes and coffee were served. On the program were the Cresswell trio from Rotan and Dr. Hiram Arant of Hardin-Simmons University was the guest speaker.

Bennie Ray and Johnnie Max Jones and Dorman Harvey from McCurry College were weekend visitors in the home of the Jones boys' parents, Mr. and Mrs. S. D. Jones. Seven school trustees will be elected in April and at least fourteen names should appear on the official ballot to give the patrons a field to choose from. Few people want the job as a school board member but it is very important that wide-awake citizens are elected. Qualified voters should select their candidates and see that their names appear on the ballot.

Cows are again raming the townsite and some of the citizens are again complaining the beasts "messing" up their yards, tearing down young trees and shrubs. A good way to keep the peace is to keep cows out of folks' front yards.

A third world war may be closer to home than folks might think. Old Joe Stalin has already gobbled up more countries than did Hitler in his campaign for power. Why feed up a bunch of ruffians and then fight 'em? Selling all these army camps and destroying our weapons of war is mighty poor business in a world mad for power. We should have the largest standing army, navy and air force second to none than to send our money and food to countries who will jump on our backs as soon as they get the guns and their stomachs full. The United States has played Santa Claus to the rest of the world long enough. And we don't need men in public office who will appease Stalin—meaning of course, Henry Wallace, and some others.—A-Darden-I-gram.

Lt. W. H. Pickron Selected to Attend Class of Air Tact

First Lt. William H. Pickron Jr., son of Mr. and Mrs. W. H. Pickron Sr. of Hamlin has been selected to attend the fourth class of the Air Tactical School at Tyndall Air Force Base, Florida.

Lt. Pickron attended High School in McCaulley where he was a member of the basketball and tennis teams. Entering the Army in March 1941 as a private at Kelly Field. He received flying training there earning his wings and commission. Going overseas, he served with the 8th, 5th, 7th, 20th and 2nd Air Forces in the European Theater and the Pacific Theater as flight Commanding Officer. Completing 140 missions against the enemy in his 22 months tour of duty, he returned to the state in November 1945. He wears the Air Medal with two Oak Leaf Clusters, one Presidential Unit Citation, one Commendation and the Theater Ribbons.

His wife is the former Lillian B. Darden of McCaulley.

The school Lt. Pickron is attending is the basic school of the Air University System. Its purpose and aim is to teach the fundamentals and basic principles required for officers to most successfully handle the responsibilities of Squadron Commanders and for staff duties commensurate with their rank. A board academic course covers instruction in leadership, tactics, intelligence, communications, administration and supply, personal management, public information, civil affairs and new developments. The academic course is supplemented by a flying course utilizing the latest types of Air Force aircraft. The regular curriculum is also supplemented by guest lectures from civilian specialists, Ground Force, Naval officers and faculty members of the Command and Staff School at Maxwell Air Force Base, Alabama.

Lt. Pickron will return to his former station at Barksdale Field to resume his duties there as instrument instructor upon completion of the 16-week course a report to The Herald concluded.

Cottonseed Receipts Drop 63% in January

Hamlin people learned this week that January receipts of cottonseed at Texas mills dropped 62 per cent from December according to a report received by The Herald from the University of Texas Bureau of Business Research.

January receipts were 157 per cent above January 1947.

Bureau's seasonally-adjusted index of cottonseed crushed rose 10 per cent to reach 108.4. Base used as 100 is years 1935 to 1939. January crushings of 148,202 tons were two per cent below December, but 75 per cent above a year earlier.

Stocks of hand January 31 totaled 367,550 tons, 21 per cent below December 31, but were 232 per cent above year-ago figures.

Eight Business 'Busts' For January Reported

Hamlin business men and others will be glad to learn this week that eight Texas business failures during January were reported but not at starting the year off with more failures than for any single month of 1947.

Dun & Bradstreet data sent to The Herald thru the Bureau of Business Research of the University of Texas indicated that this is four times the number of failures for January 1947.

Average liabilities were \$18,000 in January 1948, compared to \$125,000 in January 1947 the report concluded.

Many Veterans in Schools.

In November 1947, the National Education Association reported that colleges and universities in the U. S. were serving 2,338,226 students compared with the 1946 peak of 2,078,095. About 48 per cent of the students are veterans.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

"It ain't fair!"

"There oughta be a law! Everything in our house runs by electricity—but this!"

Poor Butch has to do things the old mechanical hard way. Mother has low-cost, dependable electric service to help her cook and clean, wash and iron and sew. Dad runs his razor, and his workshop, too, by electricity. In fact, the whole family enjoys light, comfort, and entertainment when Reddy Kilowatt, your electric servant, jumps to their service at the flip of a switch.

Never before has electric service done so much to make life comfortable for so little! Yes, in spite of high production costs, The West Texas Utilities Company furnishes residential consumers electric service at rates 17% less than ten years ago.

The skill and experience—the "know-how" and the efforts of your friends and neighbors in this company have combined to keep the price of electric service low—and its usefulness greater than ever before.

Hamlin Boy Member Army's First BB Team in Honolulu

Corporal Roosevelt C. Nash, 19, of Hamlin is a first-team basketball player on the Honolulu Army Fort team, leading the Army-Air Force cage league in Hawaii.

Nash's team is one of the spunkiest in the Hawaiian Islands where the negro player is attached to the 138th Truck Battalion, 55th Transportation Medium Port, United States Army.

The medium port team has kept neck in neck with the Hickam Field Air-Force Bombers. The team has won 13 out of 15 games.

Corporal Nash is the son of Mrs. Gertrude Wells living in Hamlin.

Everyone wishes to have truth on his side, but it is not everyone that sincerely wishes to be on the side of truth.—Whately.

Blessed Events

Mr. and Mrs. W. N. Brown of Hamlin are the parents of a daughter born February 29 weighing 10½ pounds. She was born in a local clinic. This baby is the first leap year baby reported to The Herald.

Mr. and Mrs. Thomas Ferguson are the proud parents of a son, Thomas Scott, Jr., who arrived at the Stamford Hospital February 26. He tipped the scales at seven pounds and 14 ounces. The maternal grandmother is Mrs. W. S. Graham, and the paternal grandparents are Mr. and Mrs. S. C. Ferguson, Sr.

McCaulley Well Flows 400 Bbls. Report Says

The W. F. Davison oil well, a mile and a half west of McCaulley townsite, came in Wednesday night about 12:30, in the Fisher County pay, 2170 feet and flowing at an estimated 400 barrels per hour at this writing, of high gravity oil.

The news is causing quite a lot of excitement, and royalty and leases are expected to be in great demand.

South Outpost to Bartlett Pool in Jones County

A location for a south outpost to the Jones County Bartlett Pool about 28 miles southwest of Hamlin was filed early this week by Ungren & Frazier and Jones & Stasney as the No. 1 Mattie V. Alexander, 330 feet from the north and west lines of section 34 block SP survey. It is on permit for 3,500 feet with rotary and will test both the King and Swastika pay.

On the west edge of the area appeared late in the week the Ungren & Frazier and Jones & Stasney No. 1 H. E. Cole, 330 feet from the east and 2,495 from the south line of section 43 block 2 SP survey.

This well had King sand from 3-188-3,194 feet, but on a drillstem test recovered only six feet of mud. Swastika came in from 3,262-3,270 feet but carried no staining or odor. The well is being deepened into the formation.

Hamlin VFW Sponsors Boys Club Camp

Hamlin's Post of Veterans of Foreign Wars is sponsoring a boy's club for all boys of Hamlin this summer, according to a report to The Herald from a spokesman for the group.

Joe King, assistant coach of the Hamlin High School, will direct the club's activities. These will include baseball, hiking and camping and other sports.

The club will meet each afternoon at 2:00 o'clock p. m. and all day on Saturday. All boys of Hamlin are invited to take part in the club's activities.

New Sunday Feature Is Announced By Abilene Station

"Home Town Headliners" will be a new feature of radio station KRBC, Abilene, Herald readers are advised this week, that will be heard each Sunday from 12:30 o'clock p. m. to 1:00 o'clock p. m., reviewing notes from home town newspapers of this area. One editor will be saluted on each program also.

The Abilene station, now 13,000 watts, will be increased to 46,600 watts prior to April 1.

Billy Mac Pitcock In Dallas Hospital

Billy Mac Pitcock, 7, son of Mr. and Mrs. C. W. Pitcock of Hamlin, was admitted to Texas Scottish Rite Hospital for Crippled Children in Dallas for treatment on Wednesday of last week.

The hospital is supported by individual contributions, offers the best possible medical care and attention free to Texas crippled children who are accepted for treatment.

Old Age Unit Shows Life Expectancy Up

Old age assistance applications to the Texas State Department of Public Welfare from Jones County and the other counties of the state are increasing at the rate of 1,000 a month, a release from Austin advises The Herald.

Aside from Texas population expansion in recent decades, a major explanation lies in the fact that the age expectation has risen from 43 to 64 years during the last half century, according to John H. Winters, director of the welfare department.

WILL BEGIN REVIVAL AT McCAULEY—is Rev. Hubert Thomson, pastor of the First Methodist Church at Canyon. He began the revival Sunday at the First Methodist Church in McCaulley and will end this Sunday. Services begin each evening at 7:30 o'clock p. m. The revival is for the McCaulley Charge, which includes the Golan and Neinda community churches.

Jones County 4-H Clubs to Observe National Club Week

This is National 4-H Club Week. Hamlin area people are advised today (Friday). The theme is "Creating Better Homes Today for a More Responsible Citizenship Tomorrow." This a challenge to the 4-H boys and girls of Jones County as well as to all the 4-H Club boys and girls in the nation.

These 4-H Club members are boys and girls between the ages of 10 and 21 who have agreed to "learn by doing" some phase of farming, homemaking, or community activity under the guidance of the County Agricultural Agent, Home Demonstration Agent and local leaders. The clubs elect their own officers from their membership and conduct the affairs of the club through democratic procedure.

In Jones County there are eight 4-H Club girls clubs with an enrollment of 144 and nine 4-H Club boys clubs with an enrollment of 206 members. In Texas there are 2,153 girls clubs and an enrollment of 3,870 and 1,717 boys clubs with an enrollment of 42,350.

Jones County will observe National 4-H Club Week by having a county-wide 4-H Club program.

Program will be held to day (Friday) in Pioneer Hall at Anson at 7:00 o'clock p. m. All club members are urged to attend and bring their families. If you are a 4-H Club member or parent and do not come a spokesman says they will miss a "sweet time."

Program arranged will be as follows:

Welcome address by H. C. Stanley Jr., Jones County Agricultural Agent.

Two good movies about 4-H Club work.

Recreational games led by Mrs. Lou Polnac.

Jones County 4-H Clubs by Miss Loretta Allen, Jones County Home Demonstration Agent.

"Hew 4-H Club Work Has and Can Help Rural Youth," by Roger Garrett, Jones County Judge.

Special recognition to 4-H Club boys and girls.

Refreshments.

Clyde Rasberry Given Life Term In District Court

Clyde Rasberry of Odessa, indicted by the grand jury of the 104th District Court at Anson last week, was convicted of burglary and being habitual criminal and was sentenced to life imprisonment Thursday, Feb. 19, according to Leon Thurman, district clerk.

Rasberry pleaded not guilty to the charges by reason of insanity.

He was indicted along with his brother, Guy Rasberry and Fred Clayton, all of Odessa, for the burglary of a grocery store in Anson February 4.

The jury deliberated only 30 minutes and returned a verdict finding him sane and guilty.

Guy Rasberry and Fred Clayton were given six and eight year sentence respectively after being convicted on the same charges.

Two civil cases heard, Ila Mae Jefferys vs. L. E. Jefferys and Juanell James vs. W. Joe James, resulted in divorces granted to each.

James Lewis pleaded guilty before the court on a charge of forgery and given a three year sentence by Judge Owen Thomas.

HD Agent Urges Planting of Slow Growth Plants Now

Miss Loretta Allen, Jones County Home Demonstration Agent, this week urged all Hamlin and area people how to plant slow growing plants started in a small bed to an advantage. Some of these slow growing plants are cabbage, tomato and pepper.

By using this practice, the agent explains, gives the plants a head start in the early spring so that they will be ready by garden planting time.

A wooden box four to five inches deep, 18 inches wide and 24 to 30 inches long is a convenient size. An old wash tub or dishpan may be used. The main consideration is a small container that can be picked up and brought into the house on cold days and nights and put outside on warm days.

A mixture of equal parts of well rotted manure and top soil, or better still, a mixture of one-fourth rotted manure, one-fourth sand and one-half top soil can be used. Make a layer two or three inches thick, the agent continues, of either of these mixtures and put a layer of course sand one inch thick over it. Mark off rows two inches apart. Disinfect the seeds with a commercial organic mercury compound. Plant the seeds, three to four to the inch and cover ½ inch deep. Catter a thin layer of pea-size gravel over the surface after planting, then sprinkle freely with water. The gravel is used to help prevent the damping off of the small plants.

Transplant the plants when they are three or four inches high into a larger bed giving three or four inches of space between the plants or into small paper cups or old tin cans. This will help them to grow off quickly when set out and make sturdy plants the agent concluded.

Mr. and Mrs. Leonard Maberry of Anton are visitors in Hamlin this week. They are former residents of this vicinity.

field, Jimmy Muchlstein, Ben Edge, Oran Brigham and George Long.

Miss Elaine Jones, student in H. S. U., spent the weekend at home with her uncle and aunt, Mr. and Mrs. L. B. Baker. She had as her guest for the weekend, Miss Virginia Spraberry of Anson, also a student in Hardin-Simmons.

Mr. and Mrs. George Stricklin and little son have recently moved to Hamlin from Abilene and are living the R. S. Dean home. He is employed with the Sunlight Bread Company out of Abilene.

Voting Strength Jones County at Record of 6,000

According to a report from Elzy Bennett, tax assessor-collector, candidates better get their speech well memorized to speak to all potential voters of Jones County.

Bennett reported this week that poll tax receipts are held by a total of 4,962 voters and exemptions were issued to 22 who were under age. Over all citizens eligible to vote will run the possible voting strength of Jones County to 6,000 he continues. This is a new all-time record for Jones County.

Poll tax payments in 1946 the last election year, were received from 3,776 persons and 24 under age exemptions. Last year, a off year for elections was 3,499 paid poll taxes and 28 under age exemptions.

John Ferguson is now living in Fort Worth with his son, O. L. Ferguson, and family.

McCaulley Youth On McMurry Honor Roll

Mary Ann McCollum and Hubert Carson of McCaulley were among the McMurry College, Abilene students to earn a place on the semester honor roll.

These were two of the 44 students at the college to get on the list. Only students with an average of 90 and above were listed on the roll, according to college officials.

Local Boy at Harvard Visits Here on Trip

Forest Greenway of Hamlin, a student at Harvard, Cambridge, Massachusetts visited his home last week.

Si Boone and Bill McCollum, two of his classmates accompanied him here and Greenway took them to visit at the Y6 Ranch. This being the first visit to a real ranch for the two eastern boys. Both got a big "kick" out of the visit.

The Lord's Prayer is not, as some fancy, the easiest, the most natural of all devout utterances. It may be committed to memory quickly but it is slowly learned by heart.—Maurice.

Most Farm Products Sell Steady to Stronger During Week, Report Shows

Sell Steady to Stronger During Week. Most farm products sold steady to stronger during the past week, according to a report to The Herald from the United States Department of Agriculture Production and Marketing Administration.

Sheep and lambs maintained a fairly steady tone, with some markets showing slight gains and other small losses. Good and choice lambs brought \$1 at Kansas City and \$20 to \$20.50 at Oklahoma City. Medium and good woolled lambs sold from \$18.50 to \$19.50 at Denver and from \$19 to \$20.50 at Fort Worth. Mohair sold at Keerville and Del Rio at around 45 cents per pound for adult hair and 65 cents for kid. Scarce fall Texas wools were offered at around \$1.20 clean basis.

Hog prices fluctuated sharply from day to day last week and opened higher Monday for net gains of \$1 to \$2 at most markets, with San Antonio ending up near the starting point. Top hogs ranged from \$23 to \$24.75 in Monday's trade.

Extreme unevenness on steers featured the week's cattle trading, with most steers and yearlings following the generally strong trend and heavy fed steers barely steady to weak. Common and medium steers and yearlings brought \$17 to \$24 at Houston Monday, when medium and good yearling heifers sold at \$23.75 at San Antonio. Medium and good steers yearlings and heifers turned at \$22 to \$25.50 at Fort Worth and \$21 to \$25 at Oklahoma City. Wichita and Denver moved medium and good steers from \$22 to \$25.50. Kansas City struck a top of \$29 on choice steers.

Egg prices went up a little last week, but weakened Monday, when Dallas and Denver brought current receipts mostly at 40 cents a dozen, and Fort Worth at 41 to 42 cents. Poultry moved in rather dull trade at slightly lower prices. Dallas and Fort Worth paid from 22 to 25 cents a pound for heavy hens and 33 to 35 for fryers and broilers.

Cotton strengthened during the past week in fairly active trade. Prices rose about \$5 a bale. Dallas quoted spot middling 15-16 inch Monday at 33.85 cents.

Grain sorghums advanced 22 cents per 100 pounds and corn 12 to 20 cents a bushel, as barley rose

12 cents and wheat eight cents. Gains reflected smaller offerings rather than increased demand. No. 1 hard ordinary wheat closed Monday around \$2.61 at Texas common points and white corn \$2.87 to \$2.89. Feeds showed a steadier tone, and millfeeds gained \$2.50 to \$5 per ton. Demand for hay slackened and the prices eased downward. Farmer's stock peanuts remained at support levels.

Guy Daniel Honored At Texas A. & M.

Guy Daniel, son of Mr. and Mrs. G. A. Daniel of Hamlin, has been elected program chairman of the YMCA cabinet of the Texas A&M College at College Station.

He is majoring in liberal arts, is a master sergeant on the corps staff, active in his home town club, member of Town Hall staff and a member of the YMCA cabinet.

Statement Issued By Business Manager Pope For the Hamlin Memorial Hospital

The following statement to The Herald was issued by Bowen Pope, business manager of the Hamlin Memorial Hospital for publication late this week.

Last week we typed a long list of names, firms, clubs and organizations who had contributed in some form to make the Hamlin Memorial Hospital possible. The list was long and was made out under tremendous stress, and taken from actual records. We knew that it would be a miracle if some names were not left out. Sure enough one we now of was left out. It was that of the Hamlin Veterans of Foreign Wars, who furnished \$300 on furnishing the main Reception Room of the hospital. We trust that no one will be so unkind to even think much less express a word that this was done intentionally. We have been copying lists of names for publication for many years and there is always a danger of leaving out something. Yes, we appreciate the F.V.W. of Hamlin and everywhere and for that matter all ex-service men everywhere and we desire to honor them as long as we can.

The fact that we hold in our heart a genuine feeling of appreciation for the men who made so many sacrifices for our country in two great World Wars and the fact that

some of those men did not get to come back and live among us, that is the main reason that prompted us in trying to erect some kind of memorial to their memory. We believe the Hamlin Memorial Hospital will serve that purpose, and be a living monument of service to humanity. In it we hope to see the names of all men in this immediate area, who lost their lives for our country, be cast in bronze in tribute to them.

We know of six young men who died in the First World War from this area. Four or five of them resided in Fisher County and one in Stonewall County. They are wanted first. Then there are about 20 who lost their lives in the recent World War, who rightly may be called our "community heroes." The plate that carries their name will give the rank, initials and name on one line; and under that the year of birth and the year of death. The lettering will be large enough to be seen, well away. Each name plate will cost \$4 in New York. Someone interested must bear that cost. The Memorial Panel will cost \$77.19 for Hamlin. The castings will be ordered as fast as the information and money is made available.

There are no secrets about the Hamlin Hospital. By now it should be well known it belongs to the families who have taken out memberships in it. The hospital is not "perfect" but it is good enough for anybody. It does not propose to do everything any more than does some of the largest hospitals. Our hospital is now a baby, hoping to grow strong and stop bobbling. Be patient with it and some day you will likely love it.

Someone may ask, "What does it profit me to be a part owner in the Hamlin Hospital?" The directors have set the general price of all rooms at \$8.50 per day, but if the patient be someone from a family

Veterans Regional Office Has New Quarters at Lubbock

Hamlin veterans and others were informed this week that the West Texas Veterans Administration Regional Office is now located in its new modern office building at 1600-24 19th Street in downtown Lubbock, Robert W. Sission announces.

The regional office, serving 79 West Texas counties, has been located at the Lubbock Army Air Field, 12 miles west of the city since it was activated June 1946.

The office began full operation in its modern quarters March 1. Office hours will be from 8:00 o'clock a. m. to 5:00 o'clock p. m., Monday through Friday.

An official opening, combining open house and dedication ceremonies, is planned for March 26. At this time, all veterans, all service organizations, city, county and state officials, newspaper and radio men, district medical and dental society officials from the region will be invited to inspect the new building.

Adversity has ever been considered the state in which a man most easily becomes acquainted with himself, then especially, being free from flatterers.—Johnson.

who has already advanced \$50. their room charge will be \$2.13 less. Other allowances may be granted on other hospital services when and if the operating costs are lower. The doctors officiating in the hospital are independent in their charges and their bills will not be handled as part of the hospital charges. There are no fees to pay unless you need a doctor and no hospital fees or charges unless you use the hospital. It is important to say here that the hospital is not prepared to render services on a charity basis or credit. The pay for all employees must come from services rendered.—Bowen Pope, business manager.

Ann Agnew Chosen Delegate to State Meeting of FHA

Ann Agnew, president of the Hamlin chapter of the Future Homemakers of America, was elected by ballot Thursday to attend the state meeting of the FHA in Galveston April 22-24.

This will be the first meeting to be held in five years with representation from each affiliated chapter in the State.

Business for the organization was conducted by an executive council made up of the state officers and area presidents during the war years.

Ann will be accompanied by Mrs. Camille Simmons.

Word was received this week of the death of Mrs. Travis Dean's mother, Mrs. English, of Glen Rose. Mrs. Dean is a former resident of Hamlin.

Joe Culbertson is Named to Texas NFLA Committee

At a stockholders meeting of the Federal Land Bank of Houston, held there February 17-18, Joe Culbertson of Hamlin, vice-president and director of the Jones County National Farm Loan Association at Anson, was elected a member of the State Trust Committee which functions incident to the Retirement Plan now in effect for employees of National Farm Loan Associations in the State of Texas.

Culbertson, together with four other members of the Trust Committee, reviews applications for retirement, passes up on the handling of funds under a Trust Agreement, and handles various other matters incident to the Texas National Farm Loan Associations Pension Trust Plan.

Culbertson has been elected to serve in this capacity until November 1, 1951. Other members of the Trust Committee are: Sterling C. Evans, Houston; B. L. Sanders, Corsicana; J. P. McCord, Coleman and C. W. Patterson, Taylor.

Culbertson and Joe Breed, secretary-treasurer of the Jones County National Farm Loan Association at Anson, returned from Houston last Thursday evening after having attended the regular Annual Stockholder's Meeting there.

Mickey K. Scott is New Enrollee at HS-U For Spring Semester

Mickey Kenneth Scott of Hamlin was among the 177 new registrants for the spring semester at Hardin-Simmons University, Abilene. The classes began February 7 and will continue through May.

This institution, Hardin-Simmons University is the oldest of higher learning between Fort Worth and Los Angeles, is beginning its 56th year of instruction with the largest faculty and the most complete curriculum and largest physical plant in its history.

Supported in large measure by the Baptists of Texas, it emphasizes religious training and requires each student to complete six semester hours of classwork in Bible in the four years. Six full-time religious instructors are employed.

Vocational guidance permits the students to take examinations which may prove beneficial to him in the choosing of a profession. Tests, together with English placement examinations, are given to all incoming freshmen.

Cotton Balance Sheet Shows Less Than Year Before

Political factors—a result of the Government activity in the cotton market—brought unstable prices in the last few days in the raw cotton market, according to a report received by The Herald from the University of Texas Bureau of Business Research.

Dr. A. B. Cox, professor of Cotton Marketing, College of Business Administration, had based a prediction of the drop early in February on a possible 750,000 bale export under the Marshall Plan or other shipments to countries with newly cheap currencies.

Cotton balance sheet as of January 1, 1948, showed only 10,224,000 bales of all kinds of cotton in the United States, or 123,000 bales less than on January 1, 1947. New York Cotton Exchange estimates consumption of 12,400,000 bales of American cotton this cotton year in world markets, with a carry-over on August 1 of only 4,100,000 bales against 5,250,000 bales last August 1.

Enactment of almost any type of recovery-for-Europe legislation will mean increased exports, as will the expected devaluation of monies by European nations in addition to France. Exports if finished manufactures by these countries will enable them to buy American cotton on a commercial basis. Hence, exceedingly unstable prices will result from supply and demand as well as

Criswell Case Reversed by Court Criminal Appeals

Wednesday Texas' Court of Criminal Appeals at Austin reversed the case of the State of Texas vs. A. F. Criswell, Noodle farmer, indicted for the murder of Albert C. Sobesee, Jones County Commissioner of Precinct 4, of a decision of the 42nd District Court.

The 42nd District Court a report stated was convicted by a jury of aggravated assault with punishment of six months in jail and a \$750 fine.

The defendant was involved in an altercation at Merkel, Hamlin people will recall, on January 14, 1947 over the routing of the Noodle Farm-to-Market road. Sobesee, who sustained injuries in the scuffle, died January 22 in a clinic at Merkel.

This case went to trial on May 26 and the jury two days later returned a verdict of "aggravated assault," sentencing Criswell to the fine and jail term.

Criswell's attorney on November 17 of last year made a special plea that the only infraction involved

the disabilities of Fred Deutschman, a minor, No. 7954, application granted.

Henel Ruth Priest vs. James Edward Priest, No. 7892, divorce granted plaintiff.

Joe Bond Jr., vs. Texas Employer's Insurance Association, No. 7931 final judgement entered.

Edith Loomis vs. Kenneth G. Loomis, No. 7942, divorce granted plaintiff.

Mrs. Annie Wheeler and husband J. W. Wheeler, vs. Safeway Store, Incorporated, No. 7863, dismissed.

Dorothy P. Bevels vs. Floyd Bevels, No. 7949, divorce granted plaintiff.

Robert James McIntyre vs. Edna L. McIntyre, No. 7945, divorce

"just simple assault."

A subsequent Taylor County grand jury brought in an indictment of murder and a trial was held in the 42nd District Court at Abilene in May 16, 1947 and continued through January 28 when the trial jury returned a verdict of "aggravated assault" and the resulting fine and term. Criswell's attorney then gave notice of appeal after a new trial was denied. District Attorney Thomas E. Hayden, who prosecuted Criswell expressed little surprise at the court's action.

Criswell's attorney said, "If the Austin court found the grounds only "simple assault" as contended by the defense, then the remanding will be for a trial on that charge."

POT-SHOTS FROM McCAULLEY

By GEORGE DARDEN

Mr. and Mrs. A. J. Estus and daughter from Dallas visited her parents, Mr. and Mrs. John Dean last week-end.

Mrs. Flora Mason has recently been under treatment at a hospital in Rotan but is now reported to be improving.

Mrs. Charley Elvens and daughter Nancy of Fort Worth visited friends and relatives in McCaulley and Sylvester last week.

McCaulley High School basketball team was eliminated in their first game at the regional tournament at Abilene last Friday. The local lads were defeated by Bettie, Comanche County lads by a score of 30 to 25. Our only excuse is that our boys couldn't get going and were a way off form and in our humble opinion the local lads have defeated much stronger opposition through out the year. Anyway we lost but the local lads won 28 games out of 30 for the season and we doubt if many teams can boast of such a record in one season. And as before—win or lose, we are still rooting for the home team.

Thanks to Willard Maberry for a year's subscription to The Hamlin Herald.

Rev. Thompson, pastor of the local Methodist Church has informed us that the Methodist meeting has been postponed until next Sunday, March 7. Bro. Thompson is very cooperative and is appreciated as a

citizen as well as a pastor.

Mr. and Mrs. John Shelly of Rotan visited last Sunday in the home of Mr. and Mrs. John Wishart.

Mr. and Mrs. Jack Johnson and children from Borger visited last week-end in the home of her parents, Mr. and Mrs. J. T. Rhoten. Mr. and Mrs. M. A. Darden from Girard and Mr. and Mrs. Howard Darden and children of Lubbock visited last Sunday in the home of the Geo. Dardens.

S. E. Miers left Saturday for a week's visit with a daughter and family, Mr. and Mrs. W. L. Curry, in Cisco.

A large crowd attend the George Washington birthday party sponsored by the members of the McCaulley Masonic lodge last Friday night. Gobs of ice cream, home-made cakes and coffee were served. On the program were the Cresswell trio from Rotan and Dr. Hiram Arant of Hardin-Simmons University was the guest speaker.

Bennie Ray and Johnnie Max Jones and Dorman Harvey from McMurry College were weekend visitors in the home of the Jones boys' parents of, Mr. and Mrs. S. D. Jones. Seven school trustees will be elected in April and at least fourteen names should appear on the official ballot to give the patrons a field to choose from. Few people want the job as a school board member but it is very important that wide-awake citizens are elected. Qualified voters should select their candidates and see that their names appear on the ballot.

A nation-wide contest for young baseball players—with a Brooklyn Dodger organization player contract and an expense-paid road trip with the Dodgers to the winner—has been jointly arranged by the Brooklyn National League Baseball Club and Argosy Magazine. Young baseball hopefuls should investigate.

Cows are again roaming the townsites and some of the citizens are again complaining the beasts "messing" up their yards, tearing down young trees and shrubs. A good way to keep the peace is to keep cows out of folks' front yards.

A third world war may be closer to home than folks might think. Old Joe Stalin has already gobbled up more countries than did Hitler in his campaign for power. Why feed up a bunch of ruffians and then fight 'em? Selling all these army camps and destroying our weapons of war is mighty poor business in a world mad for power. We should have the largest standing army, navy and air force second to none than to send our money and food to countries who will jump on our backs as soon as they get the guns and their stomachs full. The United States has played Santa Claus to the rest of the world long enough. And we don't need men in public office who will appease Stalin—meaning of course, Henry Wallace, and some others.—A-Darden-I-gram.

Lt. W. H. Pickron Selected to Attend Class of Air Tact

First Lt. William H. Pickron Jr., son of Mr. and Mrs. W. H. Pickron Sr. of Hamlin has been selected to attend the fourth class of the Air Tactical School at Tyndall Air Force Base, Florida.

Lt. Pickron attended High School in McCaulley where he was a member of the basketball and tennis teams. Entering the Army in March 1941 as a private at Kelly Field. He received flying training there earning his wings and commission. Going overseas, he served with the 8th, 5th, 7th, 20th and 2nd Air Forces in the European Theater and the Pacific Theater as flight Commanding Officer. Completing 140 missions against the enemy in his 22 months tour of duty, he returned to the state in November 1945. He wears the Air Medal with two Oak Leaf Clusters, one Presidential Unit Citation, one Commendation and the Theater Ribbons.

His wife is the former Lillian B. Darden of McCaulley.

The school Lt. Pickron is attending is the basic school of the Air University System. Its purpose and aim is to teach the fundamentals and basic principles required for officers to most successfully handle the responsibilities of Squadron Commanders and for staff duties commensurate with their rank. A board academic course covers instruction in leadership, tactics, intelligence, communications, administration and supply, personal management, public information, civil affairs and new developments. The academic course is supplemented by a flying course utilizing the latest types of Air Force aircraft. The regular curriculum is also supplemented by guest lectures from civilian specialists, Ground Force, Naval officers and faculty members of the Command and Staff School at Maxwell Air Force Base, Alabama.

Lt. Pickron will return to his former station at Barksdale Field to resume his duties there as instrument instructor upon completion of the 16-week course a report to The Herald concluded.

Cottonseed Receipts Drop 63% in January

Hamlin people learned this week that January receipts of cottonseed at Texas mills dropped 62 per cent from December according to a report received by The Herald from the University of Texas Bureau of Business Research.

January receipts were 157 per cent above January 1947. Bureau's seasonally-adjusted index of cottonseed crushed rose 10 per cent to reach 108. Base used as 100 is years 1935 to 1939. January crushings of 148,202 tons were two per cent below December, but 75 per cent above a year earlier.

Stocks of hand January 31 totaled 367,550 tons, 21 per cent below December 31, but were 232 per cent above year-ago figures.

Eight Business 'Busts' For January Reported

Hamlin business men and others will be glad to learn this week that eight Texas business failures during January were reported but not at starting the year off with more failures than for any single month of 1947.

Dun & Bradstreet data sent to The Herald thru the Bureau of Business Research of the University of Texas indicated that this is four times the number of failures for January 1947.

Average liabilities were \$18,000 in January 1948, compared to \$125,000 in January 1947 the report concluded.

Many Veterans in Schools.

In November 1947, the National Education Association reported that colleges and universities in the U. S. were serving 2,338,226 students compared with the 1946 peak of 2,078,095. About 48 per cent of the students are veterans.

Southwest District Freight Loadings Register Decline

Revenue freight loadin in Hamlin and the rest of the Southwest district declined two per cent from December to January, a report to The Herald from the University of Texas Bureau of Business Research.

Ore loadings dropped 16 per cent for the greatest decline, while grain and grain products rose 11 per cent above December 1947.

The 278,308 cars loaded in January showed a one per cent gain over January 1947. Ore, coke and other miscellaneous loadings were above January 1947.

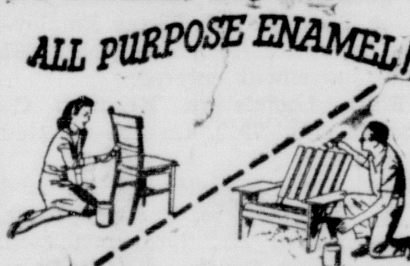

Livestock loadings fell 37 per cent short of last year's mark, and both forest products and grain were down 18 per cent.

Index of miscellaneous freight loadings seasonally adjusted stood at 158 in January, two per cent below December. Base used as 100 was the years 1935-1939.

"It ain't fair!"

"There oughta be a law! Everything in our house runs by electricity—but this!"

Poor Butch has to do things the old mechanical hard way. Mother has low-cost, dependable electric service to help her cook and clean, wash and iron and sew. Dad runs his razor, and his workshop, too, by electricity. In fact, the whole family enjoys light, comfort, and entertainment when Reddy Kilowatt, your electric servant, jumps to their service at the flip of a switch.

Never before has electric service done so much to make life comfortable for so little! Yes, in spite of high production costs, The West Texas Utilities Company furnishes residential consumers electric service at rates 17% less than ten years ago.

The skill and experience—the "know-how" and the efforts of your friends and neighbors in this company have combined to keep the price of electric service low—and its usefulness greater than ever before.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.
Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.
The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.
